As a tool to help me find the best match for our puppies I have compiled this list of questions.

It is my goal to help match a puppy with a compatible farm/ family. In order to do that in a way that ensures as good a match as possible I need to know something about you. My main concern is the long-term welfare of the dog.

Please take time to carefully read and complete the following questions. These questions are designed to help me place my puppies in the best possible home/farm.
